

LEADERSHIP STUDIES MINOR

2023-24 STUDY GUIDE

About this minor

Our campus recognizes you need to gain not only real-world skills, but hands-on leadership competencies. These can be earned through a Leadership Studies Minor which is a complement to any degree option. During these courses students will work towards personal leadership development and a practical framework to further self-awareness, values and purpose.

Accreditation

We take our reputation seriously. Accreditation validates the quality of an institution as a whole, offering evaluated measurements of everything from academic offerings, governance, administration, mission, finances and resources. Kansas State University has been continuously accredited by the Higher Learning Commission (HLC) since 1916. k-state.edu/assessment/accreditation

AN AEROSPACE & TECHNOLOGY EDUCATION IS:

INNOVATIVE LEARNING:
Learning by doing, through hands-on projects, lab time and in-the-field training.

INDUSTRY CONNECTIONS:
Building relationships with industry members and gaining insight into your future career.

REAL-WORLD EXPERIENCE:
Exploring innovations in your field through research, practicum and internship opportunities.

STUDENT-FOCUSED:
Faculty are focused on your personalized experience, working alongside you in the lab and classroom.
